# IT'S TRUTH SERUM'S HERSCHEL

STARRING IN

BOY-TO-BEY

**DIRECTIONS:** Sure, this may look confusing, or perhaps even ill-conceived at first. But don't be deceived. It's a fun activity that you're sure to enjoy. Unless there's something wrong with you. To reveal the hidden illustration, connect the dots in chronological order. When you're finished, an exciting image will materialize right before your eyes. But that's not all! Use the blank space to draw your own background. Where is this scene taking place? An abandoned strip mall? Behind a dumpster? Maybe the woods. You decide! Be sure not to connect lines 88-89 or 119-120. Otherwise you'll really screw this thing up. Good luck!
